

## Pulaski County 4-H Auction -2020

There were high hopes for Fair 2020 but with the pandemic we were thrown into a whole new ball game. The Pulaski County 4-H and Community Fair Association put their best foot forward to continue with the 2020 Pulaski County 4-H Auction. With this year's 4-H Auction, youth must have exhibited during the 4-H Showcase, they could sign up 1 animal, and could designate if they wanted to "keep" their animal or let the buyer take it. The 4-H Auction Committee made a 4-H catalog of each 4-H'er who wanted to participate and who met the requirements. We were pleasantly surprised that 70 Pulaski County 4-H livestock members signed up for the 2020 4-H Auction. Through the generous support in the community, the auction brought in a total of \$26,653.83 and we could not be more thankful to all who supported our 4-H youth this year.

Those who supported the Pulaski County 4-H Auction were allowed to purchase an animal, add-on dollar amounts to certain individuals, or make a donation to be dispersed to youth with low bids. Those supporters included the Pulaski County Buyers Group, Winamac Eagles #2580, CFS of Winamac, Fulton County REMC, Good Oil Company Inc, Belstra Milling, Rumsey Farms, Kankakee Valley REMC, StockVets, Kenny Becker, Mike McClure, Jerry Locke, Olson Auctions, Gary Olson, BraunAbility, Jeff & Erica Richwine, VFW Post 1728, Brian Putt, Debbie Siminski Bucinski, Darlene & Alan Daily, M & R Ag Services, Martin & Mary Finley, Greg & Jackie Kiser, Katie & Perry DeGroot.
